RE: Mariposa County Emissions Statement Rule

Hello Stephanie,

On May 15, 2018, the Mariposa County Air Pollution Control Board took action to approve our revised emissions statement rule, Rule 513. There was no public comment regarding the rule.

The district previously submitted the following items which we believe should complete our rule submittal:

- Complete copy of the Rule
- Public Notice Proof
- Resolution (unsigned)
- Rule evaluation form
- Staff report
- SIP completeness Checklist
- Board Resolution

Please include this rule change with the SIP and forward to USEPA for final approval.

If there are any questions or concerns please feel free to contact myself or David Conway.

Sincerely,

Eric Sergienko, MD, MPH, County Health Officer  
Air Pollution Control Officer
